Internship as the Assistant of the Shipping Agent

Société de Manutention et d'Affrètement Portier (SMAP)

I had an internship in the port of Douala, Cameroon where I was learning while assisting the Shipping Agent of SMAP. I learned about shipping documents and procedures that have to be done by a Ship while being at the quay in a Country for the discharge of their goods.

PEMSEC SARL Student Job

I sorted documents by putting them in order of when they were made and arranging them by years. I also made sure that similar orders were kept together. Another part of my job was printing out important emails.
